

ALL CURRENT ELECTRICAL SALES

SELLING EXCLUSIVELY TO WHOLESALE DISTRIBUTORS • allcurrent.com | 800.223.0483

Conduit Bodies, Fittings

Many popular manufacturers are stocked along with our own line of ACP Fittings including elbows and couplings. Fittings from standard LBs & moguls through unions and split couplings. Liquidtight, MC, TMC/TMCX available.

Control Devices

Motor starters from size 0 through size 6 available for immediate shipment. Lighting contactors including ASCO 918 & 920 units and their accessories.

Explosion Proof Boxes & Fittings

From Junction boxes, unions, condulets to assembled explosion proof devices, All Current has the stock to support your customers' needs.

Plugs, Receptables, Switches

We carry Explosion Proof, Arkrite, Powertite, Pin and Sleeve, Twist Lock, Straight Blade, Tamper Resistant, and Marine Products.

Safety Switches, Enclosed Circuit Breakers

From 30A to 1200 Amp safety switches and enclosed breakers, NEMA 1 through NEMA 7, we have the inventory on the shelf, ready to help you say yes!

MCC Buckets

Hard to find vintage and current design MCC Buckets available for quick shipment, modified to your requirements.

PVC Coated Products

With our broad inventory of PVC Coated products, both standard and hazardous location, we can help you fill your quick ship "Need It Now" orders with a minimum of fuss.

Fuses, Fuse Blocks & Power Distribution Blocks

We offer Class J, L, and RK5 as well as Medium Voltage Fuses, rectifier & small dimension.

Cable Terminations

Mechanical connectors including lugs & bugs and cable tray clamps for copper & aluminum. Compression connectors including lugs, butt and splices. Ground fittings including lay in lugs, ground clamps, "T" and "X" connections.

Control Stations, Pilot Lights

Standard and Custom Pushbutton Stations available for quick shipment. NEMA 1,12, 4x, 7/9.

Circuit Breakers & Hardware Kits

Molded case circuit breakers by most major manufacturers along with accessories ready to ship. Don't forget panelboard connector kits for all current and most vintage legacy product lines. Customs available.

Enclosed Motor Controls - Quick Ship

Standard control in NEMA 1, 3R, 4, 4X, 7/9,12 Enclosures. Modified with Start/Stop Pushbuttons, HOA, and Control Transformers. Lighting Contactors, electrically or mechanically held to 400A.
